WORK EXPERIENCE

University of Pittsburgh

Student Technical Consultant

Pittsburgh, PA

May 2024 – Present

- Lead repair and maintenance projects for a wide range of consumer electronics, ensuring timely and effective resolutions to technical issues.
- Delivered in-depth technical support to visitors, addressing queries across various operating systems and platforms, significantly improving user satisfaction.
- Conducted research on emerging technologies and operating systems, contributing to the department's knowledge base.

GBU Life Insurance

IT Network & Security Intern

Pittsburgh, PA

May 2025 – August 2025

- Assisted in monitoring network activity to identify and respond to potential security threats.
- Supported the implementation of security measures, including firewalls, intrusion detection systems, and access controls
- Conducted vulnerability assessments and recommended mitigation strategies.
- Collaborated with the team on security awareness initiatives and compliance efforts.

Deloitte LLC

IT Intern

Lagos, Nigeria

May 2023 – Aug 2023

- Streamlined new staff onboarding by managing company devices and enforcing strict security protocols.
- Ensured the success of corporate events by maintaining seamless Zoom and video conferencing connectivity, enhancing attendee engagement and experience.

PROJECTS

Portfolio Website

- Designed and developed a responsive personal portfolio website using HTML5, CSS, and JavaScript to showcase personal projects. Deployed on Netlify, optimizing online visibility and user accessibility.

Feedback Website

- Built a React-based feedback platform with HTML5, CSS, JavaScript, and SQL, enabling users to manage project feedback. Integrated phpMyAdmin for data management and deployed on Netlify for accessibility.

LEADERSHIP AND PROFESSIONAL DEVELOPMENT

Rainbow Alliance | Executive Assistant/Business Manager

September 2024 – Present

- Maintain and organize documents, records, and files related to the organization's operations.
- Serve as a liaison between the executive team and members, ensuring timely communication.
- Collaborate with various committees to ensure alignment with the Rainbow Alliance's mission.
